Subject: FW: Tower Standard /Haskell Lake Two-Party Conference Call (June 2 at 9:00 am central)

Hi Jenny,

Thanks for arranging this and visiting this morning! Dee's concerns are priority for this call. Below are some additional notes and immediate needs for today's calls.

Overview:

- The Tribe did everything possible to leverage the most possible from the State Program
- There are limitations to State Funded Work
- a. May be good for contracting expensive activities IF coordinated AND materials provided
- b. Data Eval and Recommendations – Burden of Tribe and EPA
- c. Requires contractor management and QA/QC review

What we need to know now

- a. EPA Project Update -Kozak correspondence, TO approval , Friday tech call EPA reps,
- b. Task order- wells included?
- c. Task Order – Source Area removal Evaluation (scope and cost options) included?
- d. Task Order- Data Evaluation to Date and Site Investigation Plan moving forward
- e. Results to date- Sub Slab Sampling Eval- Bob not comfortable with sharing with Kozaks, Risk Assessor Report Back?
- f. Project Schedule Project-
- g. Book EPA Tribe Technical Calls (Prefer 2x/month)

Hi Jennifer I have another appointment at that time however Kristen should be available. My request is to have Bristol participate on Friday's call and be informed of any agreements between the EPA and State and/or based on the schedule that was developed between the EPA & State (Judy F? and Sherri K) to identify where and how EPA will be participating, etc.

Thanks

Dee Allen
